

Bike Build Donation®

Bike Build Donation®: A Charitable Team Building Experience That Makes a Real-World Impact

Bike Build Donation® has been enjoyed for many years by groups large and small. Participants will recall the incredible feeling of building bikes for charity and giving back to their community in a touching and impactful way. Groups use our new *Brainstorm* game and/or *Minute 2 Win It* activities to earn the parts needed to assemble bikes for kids in need.

Program Agenda

The program kicks off with a fun icebreaker to get everyone “in gear,” followed by a walkthrough of the experience by a professional lead facilitator. Teams of 10 compete in interactive games using our browser-based *Brainstorm* app to complete trivia, puzzles, and photo/video challenges directly from their own devices—no downloads required. As teams accumulate points, they “purchase” bike parts from the on-site bike shop and begin assembling their donation bikes.

After the building is complete, teams:

- Perform a mechanical safety check
- Add decorative, hand-written notes of encouragement
- Participate in a group photo
- (If time and space allow) Take part in a fun bike parade

When possible, a representative from the receiving charity joins the event to personally thank your team and share how the donations will make a difference.

Program Outcomes & Takeaways

- Builds purpose-driven collaboration and team unity
- Encourages communication, delegation, and creative problem solving
- Provides hands-on, high-impact community service
- Leaves teams with lasting memories—and recipients with lasting gifts
- Supports physical and emotional wellness for kids and families in need

Program Customization

This program can be tailored to suit your group's needs and goals, including:

- Choice of challenge activities
- Collaboration with our charitable coordination team to select recipient organization(s)
- Inclusion of multiple bike sizes for varied age groups. The standard 20-inch bikes are suitable for 6 to 10-year-olds. We also offer tricycles for young children ages 1 to 5 years old and 26” cruisers for teens ages 13 and up.

Program Details

Group Size:

30 to 1,000+

Team Size:

10

Program Length:

1.5 to 2 hours

Space Requirement

25 sq. ft. per person

Setting:

Indoor / Outdoor

Physicality:

Low

What's Included?

New bicycles, helmets, and locks
Activities and program design
Brainstorm app or alternate challenge materials
Facilitators and event staff
Preparation and production
Donation coordination

Bike Build Donation® is one of our most popular give-back programs, and every 20-inch bicycle your group builds comes with a helmet and a lock for safety. A variety of skills including organization, delegation, communication, and some mechanical skills will be used in building bikes for charity. Ready to build something meaningful? Book your Bike Build Donation® event today and give the gift of mobility to a child in need!

Bike Build Donation® is a registered trademark of Best Corporate Events, LLC.

Our historically popular iPad activities are still available upon request.

Our apps enable us to deliver very large events, including the largest bike build in history, with over 3,400 Lowe's managers who built and donated 1,048 bicycles for charity! [See Highlight Video](#)

Clients Talk About this Program

It was a great day for the 3,500 Lowe's managers that participated in the Bike Build Donation event at the Sand's Expo and Convention Center in Las Vegas. They set the World Record by building and donating 1,048 bikes, helmets, and locks to deserving children at Boys & Girls Clubs throughout the state of Nevada.
