A Minute 2 Win It!: Fast, Fun, and Competitive Team Building That Keeps Everyone on Their Toes

A Minute 2 Win It! is one of our most engaging and competitive team building experiences—perfect for energizing your group and igniting friendly rivalry. Teams go head-to-head in a series of fast-paced tabletop challenges using everyday office and household items, with just 60 seconds on the clock to master each game.

Whether you're planning daytime entertainment, a conference energizer, or an after-dinner activity, this flexible program is designed to deliver laughs, energy, and a whole lot of cheering.

Program Agenda

After an energizing kick-off and demo session, participants are placed into teams of 6–8. Each challenge follows a 3-part structure:

- Demonstration from the host
- Practice round for hands-on trial
- Timed competitive round for points

Challenges rotate quickly, keeping energy high and teams fully engaged from start to finish.

Sample challenges include:

- Back Flip – Toss and catch an increasing number of pencils
- Moving on Up – Race to stack and cycle colored cups
- Card Speed – Sequence a deck of cards under pressure

Throughout the competition, our unique scoring system tracks team progress and encourages continuous improvement. The program concludes with a high-energy awards ceremony where gold medals are awarded to the overall champions.

Clients Talk About this Program

The variety in the A Minute 2 Win It games and the quick pace caused everyone to have a great time. The entire group was very involved almost too much to the point where a couple of times the facilitators had to calm them down a little bit so they would hear the appropriate instructions. Your facilitators did a very good job in running the event and bringing the crowd back around.
