

A Minute 2 Win It!

A Minute 2 Win It! is a series of tabletop team building games using everyday household items and office supplies. After a fun demo and practice session, each challenge is played and teams are scored accordingly. Great for daytime or after dinner entertainment, this fast-paced event will have everyone laughing, cheering and vying to become A Minute 2 Win It! champions.

After an energizing kick-off, your group will be formed into sub-teams. Multiple rounds are played using a three-step system of demo, practice, and competition. Teams are constantly engaged and focused on continuous improvement in an attempt to maximize their score.

Examples of challenges may include: Back Flip – tossing and catching an ever-increasing number of pencils, Moving on Up – a fun cup stacking activity, Card Speed – a race to put a shuffled deck of cards in a specific sequence, and more! Our unique scoring system keeps the energy flowing and the teams in the thick of the competition throughout the entire event.

The program finishes with an exciting awards ceremony where individual challenge winners are announced leading to the overall gold medal *A Minute 2 Win It!* Champions.

This is one of our most competitive events and works as a perfect addition to any corporate or social gathering or as a stand-alone activity.

A Minute 2 Win It! can be conducted in almost any event setting!

To ensure a great experience, aspects of this program may be modified for your group size, group makeup, time available, and other variables.

Clients Talk About this Program

The variety in the A Minute 2 Win It games and the quick pace caused everyone to have a great time. The entire group was very involved almost too much to the point where a couple of times the facilitators had to calm them down a little bit so they would hear the appropriate instructions. Your facilitators did a very good job in running the event and bringing the crowd back around.
