

## Fiesta Fun!

# Team Building Fiesta Themed Game

**Fiesta Fun!** is a lively event where corporate groups will experience the sights, sounds, and flavors of Mexico! In this exciting contest, participants compete to make their own brand of salsa, guacamole, and golden margaritas!

This high-energy program blends culinary creativity with fiesta-themed games that keep everyone engaged and entertained from start to finish. Whether your team is designing a catchy jingle, crafting a custom team logo, or presenting their unique recipes with flair, Fiesta Fun! turns friendly competition into a shared celebration—ideal for groups that want to bond, laugh, and get a little festive together.

## Program Agenda

Teams of 10 select a captain, craft unique recipes, and even develop a team name, logo, and catchy jingle to showcase their culinary creations. Stations come fully stocked with cutting boards, knives, spoons, bowls, and pots—while the client provides the fresh ingredients for salsa, guacamole, and drinks.

As Mexican music sets the mood, teams compete in three rounds:

- Salsa Showdown – Blend flavors, spices, and textures to create the ultimate salsa.
- Guacamole Gauntlet – Mash, mix, and customize the classic avocado dip.
- Margarita Mastery – Shake (or stir) up golden margaritas or sangrias to complement the food pairings.

Teams present their recipes and perform their jingles for the judges—earns points for taste, presentation, creativity, and showmanship!

## Clients Talk About this Program

---

Our group loved the Fiesta Fun event! The best aspect of the program was the opportunity to create on multiple levels as a group. Either cooking, taking pictures or answering trivia on the iPads - the entire group had to come together. The most fun was the group social after the judging.
