

Fiesta Fun!

Fiesta Fun! is a lively event where corporate groups will experience the sights, sounds, and flavors of Mexico! In this exciting contest, participants compete to make their own brand of salsa, guacamole, and golden margaritas!

To the beat of Mexican music, the program kicks off with a series of team building icebreakers. Next, teams select a captain, work on their unique recipes, develop a name and logo and write a jingle to market their creations. Tables equipped with all the required utensils and an abundance of ingredients are supplied.

Each team will have a designated table equipped with all the required utensils and an abundance of ingredients to make their recipes unique.

Once the preparations are completed, the culinary capers begin! Each team will perform their jingle and present their creations to the judges who will score them on creativity, presentation, and taste. All winning team members will receive medals for their culinary masterpieces. Olé!

To ensure a great experience, aspects of this event may be modified for your group size, group makeup, time available, and other variables.

Our historically popular iPad activities are still available upon request.

Clients Talk About this Program

Our group loved the Fiesta Fun event! The best aspect of the program was the opportunity to create on multiple levels as a group. Either cooking, taking pictures or answering trivia on the iPads - the entire group had to come together. The most fun was the group social after the judging.
