

Bears and Blankets

Bears and Blankets is one of our *We Care for Kids*™ programs, a wonderful collection of team motivational activities for charity, which create immediate, tangible results while boosting employee morale through the building and donation of memorable items for children in need. In this heartwarming charity event, your teams will build items to comfort younger children in distress.

Bears and Blankets features our new, browser-based activity, Brainstorm and/or Minute 2 Win it Activities for teams to earn points that earn them the materials necessary for their build. Brainstorm incorporates fun photo and video challenges, trivia, and puzzles, providing full-group engagement by having all participants play on their personal devices with no download needed, and the ability to capture and save all your memories of this truly heartwarming event with photos and video of your teams in action.

During the event, as teams earn points they will be choosing their bears and carefully stuffing them to huggable perfection. Bear-size t-shirts are skillfully designed and decorated by the artistic members of your group. Once these furry friends are created, they are dressed in their custom shirt thus giving them an identity all their own.

In addition, each team will use their creativity to swaddle the bears with warm soft blankets. These blankets will help promote an added sense of security for the children receiving them.

All the items made will then be donated to an organization serving children who have experienced trauma. Whenever possible, a representative from the organization receiving your donation will address your group and thank them for their generous donation.

The possibilities are endless, but the outcome is always the same: a proud team of employees helping children to know someone cares.

To ensure a great experience, aspects of these team-building activities may be modified for your group size, group makeup, time available, and other variables.

Our historically popular iPad activities are still available upon request."

Clients Talk About this Program

Our Bears and Blankets program was extremely organized and your lead facilitator was ...AMAZING! The icebreakers were really fun and executed perfectly. We always love to give back to our community and to give back while having fun doing it, was the icing on the cake. I would highly recommend your company and you will be seeing us at IGT again soon. Huge success!
