Operation Toy Donation

Operation Toy Donation – Team Building Toy Donation Program

Operation Toy Donation is a wonderful charitable team activity that creates immediate, tangible results while boosting employee morale through team building and the donation of toys and necessities for children in need.

This team building toy donation experience brings people together in a meaningful way. Your group will work as one to assemble and decorate toys and care packages that will be donated to non-profits for children in need.

The result? Smiling children, proud employees, and a shared sense of purpose your team will never forget.

Program Agenda

In this uplifting charitable challenge, teams of 10 rotate between themed Care Stations to assemble toys, pack children's necessities, and decorate storage containers. Materials are provided, and every station offers new opportunities for fun, connection, and creativity.

Adding even more excitement, the event includes Brainstorm, a no-download mobile experience featuring text, audio, and video clues, interactive gaming challenges, and the ability to capture photos and videos of your team in action.

At the program's conclusion, a representative from the receiving organization may address your group to share the impact of your donation and personally thank your team for their generosity.

Clients Talk About this Program

Operation Toy Donation was such a hit with the team – everyone truly enjoyed playing the games, and making the baskets for the children. It was wonderful, and I'm so glad we chose to do this prior to the holidays! Thank you for your assistance with this. I look forward to working with you again in June for our 2019 Quality Summit! Best regards,

Cathy - Janssen Pharmaceuticals
