

Amazing Chase SmartHunt®

Get ready to race, strategize, and score BIG in this high-energy team-building experience!

Your unforgettable SmartHunt journey begins with a fast-paced, laugh-out-loud icebreaker that gets everyone moving, mingling, and forming unstoppable teams. Then it's go time—each team is handed an iPad® loaded with interactive, Amazing Race-style missions designed to challenge their brains, creativity, and collaboration skills.

But this isn't just a race to the finish—it's all about the points! Armed with maps, clues, and multimedia tasks, teams blaze their own trail through a custom-designed route packed with puzzles, location-based challenges, and on-the-spot photo and video missions. Every completed task earns points, so smart strategy and teamwork are the keys to victory.

Keep your eyes peeled for surprise Road Blocks and Detour Stations where teams will tackle quirky stunts and clever challenges to rack up extra points. The key? Teams must choose their path wisely—they must prioritize their moves to maximize every minute before the clock runs out.

The adventure comes to life with real-time communication tools, bonus tasks, and leaderboard updates delivered straight to the SmartHunts app. If teams need help along the way, the facilitator is just a message or call away.

As the final countdown ends, we gather for an epic finale complete with a live scoreboard, hilarious photos and videos, and a high-energy recap that celebrates creativity, collaboration, and big wins. Plus, you will receive access to our proprietary event dashboard, which provides a full leader board, with scoring, photos, and videos from each group and a professionally produced highlight video of the entire event. Now, that's SMART! **CHECK IT OUT!**
