Virtual Trivia Blast!

When you combine state of the art gaming with our engaging and interactive professional hosts – you get **Virtual Trivia Blast!** Virtual Trivia Blast is a full participant, full engagement, interactive game show, the perfect virtual entertainment break from your virtual meetings and conferences.

All participants play the game on their apple or android device. With a mix of multiple-choice, true/false, and fill in the blank trivia questions, the faster players respond correctly, the more points they earn!

In a fun and energetic battle, participants will be tested in their knowledge of pop culture, sports, science, history, movies, music, and fashion, pop culture, and more. As participants attempt to be quickest we encourage the "excuse exchanges" that are inevitable. This fun banter between participants builds upon the game show feel and adds to the team camaraderie.

Each player goes to a gaming site to enter the unique pin for their game – this turns your device into an audience response pad! Our interactive host will welcome the group, introduce the game, and explain question types and scoring. Players will choose a name that will appear on the scoreboard and the main screen when they are the fastest to respond.

Players then compete in a mix of trivia rounds to earn as many points as possible. **Virtual Trivia Blast** questions are customizable or can be themed.

Clients Talk About this Program

I wanted to say a HUGE heartfelt thank you for delivering your Virtual Trivia Blast to our organization. We were so pleased with the turnout and your host. I felt like everyone got really into the trivia, it was hard not to. And I definitely learned tons of fun facts about Boston that I didn't know before. I couldn't have asked for a better first virtual PCMA social event, thank you again!
