

Best Corporate Feud

A Family Feud Style Team Building Game: A Game Show-Style Experience for Teams Who Love to Compete

BEST Corporate Feud brings you all the high-spirited fun and excitement of a live game show – complete with audio and visual effects – and is perfect for motivating employees or as an engaging networking event.

No matter how many points are on the scoreboard, you can be confident that you will score **BIG** with your team!

Program Agenda

After a light-hearted icebreaker, teams face off at the podium in fast-paced survey rounds. Each question challenges players to guess the most popular answers, just like in the classic TV game show format. A bracket-style scoring system moves winning teams through the rounds toward a high-stakes finale.

For larger groups, an audience response polling system helps every participant stay engaged—even if they're not on stage. This interactive feature determines the order in which teams advance and gives all attendees a chance to be part of the competition.

We have done game shows at all of our sales meetings in the past, but your Best Corporate Feud program using keypads that involved everyone at the event with the game show ending was the most innovative and inclusive game show we have ever done.
