

Crack the Case!®

An Interactive Mystery Solving Game for Team Building

Solve Puzzles, Share Clues, and Prove Your Detective Skills

Crack the Case!® is a thrilling mystery-themed team building experience that challenges your group to work together, think critically, and collaborate across teams to uncover clues and solve a final case. With engaging puzzles, unexpected twists, and a dramatic group finale, this detective-style adventure inspires connection and creative problem-solving in a fast-paced, interactive format.

Program Agenda

In this immersive event, participants play the role of trainees at a private investigation academy, facing their final test before becoming certified detectives. Each team receives a locked case filled with puzzles, coded messages, riddles, and physical objects that must be deciphered and completed together.

But teamwork within the team isn't enough—success in Crack the Case!® requires cross-team collaboration. Your "agency" must share information and insights across groups to unlock the final stage of the challenge.

The event culminates in an exciting full-group finale where everyone works together to solve the last puzzle. If desired, the final solution can include a hidden company message or key phrase—reinforcing your company's values or goals through gameplay.

The Crack the Case event went very well. The team enjoyed it very much and especially loved Paul's ice breaker activity that wasn't part of our original request, and he and Brian were able to pivot at the last minute to accommodate changes to our group size. Adding the competitive ice breaker really helped to get the team excited and they still talk about it today. They definitely exceeded expectations. Awesome job! Thank you!
