

## Spin It 2 Win It!

Spin It 2 Win It! brings the fun of a TV game show to your group as an engaging and entertaining group event. Modeled after a classic TV game show, players must guess a hidden phrase one letter at a time, earning points for each correctly guessed letter.

Our Spin It 2 Win It! program has a real game show atmosphere, complete with interactive contestant podiums and an answer board on a big screen with a spinning letter wheel!

## Program Agenda

The event kicks off with an engaging icebreaker that gets everyone involved and builds momentum. Teams then compete for a chance to make it on stage, where contestants take turns spinning the giant letter wheel and guessing hidden phrases one letter at a time.

Each correctly guessed letter earns points, with teams progressing through rounds until only the top scorers remain. The final round crowns one team as the Spin It 2 Win It! champions.

A professional game show host keeps the action moving and the energy high, narrating the contest, encouraging playful banter, and spotlighting team wins. With interactive podiums, a live answer board, and the classic spin-the-wheel mechanic, your team will feel like they've stepped into a real game show studio.

You can also add a charitable twist to the competition, like donating prizes or winnings to a cause, making the fun even more meaningful.
