

Minute 2 Win It! for Charity

Minute 2 Win It! for Charity is one of our Corporate Social Responsibility (CSR) events designed to bring out the best in team spirit and sense of community. Teams participate in multiple rounds of popular tabletop challenges using playing cards, pencils, cups, etc. – racing to earn and assemble care packages for donation.

This program contains charitable and competitive elements. It includes Head-to-Head Challenges that teams must accomplish to earn their care package materials and Minute Challenges that are scored as part of the competition.

The rounds begin with a demo of upcoming Minute Challenges, followed by the Head-to-Head activity that teams must complete to begin work on their care packages. Once the packages are done for that round, any remaining time may be used as a practice session before the next Minute Challenge is played and teams are scored accordingly.

This is one of our most competitive events and works as a perfect addition to any corporate or social gathering, or as a stand-alone activity.

Your group's bond will never be stronger as they compete for a cause. At the program's end, whenever possible, we will have a representative from the receiving organization address your group and thank them for their generous donation.

To ensure a great experience, aspects of this charitable program may be modified for your group size, group makeup, time available, and other variables.

Clients Talk About this Program

"Our Minute 2 Win It! for Charity program surpassed our expectations. The facilitators were fun and the icebreaker they picked was a fantastic way to get the group energized. We were working on a very compressed timeline when we reached out to Best Corporate Events and they were able to put on a great event for us in a matter of days."
