

Foodie SmartHunt®

In the spirit of our favorite culinary explorers, we are excited to offer you this high-tech and delicious team challenge!

Teams will be provided with iPads and a food and beverage budget. They will search for local restaurants, cafes, street vendors, food trucks, and farmer's markets to sample local cuisine and videotape live critiques on their iPads during this one-of-a-kind scavenger hunt.

As teams travel on their culinary tour, they will navigate to historic points of interest and earn points by completing in photo and video challenges and a variety of Foodie themed missions such as Chef Talk, Food Critic, Foodie Trivia and Beat the Bartender. Teams could even earn extra points at fun, challenging, physical game stations set up at one or more of the stops!

This program is a combination of adventure, sightseeing, and gaming. It encourages teams to explore, bond, eat, and have fun! The object is for teams to taste their way to victory by sampling the authentic local cuisine in the area they've chosen to explore and score as many points as possible on their iPads.

At your ending location, we'll have an energizing multimedia video of your Foodie SmartHunt playing on-screen as teams return. This allows everyone to enjoy the shared laughter generated by the antics of their colleagues.

The journey concludes with a lively awards ceremony to recognize the top-performing teams. So if you are looking to take your next culinary event to the next level, make your reservations now to be part of the hottest new offering on the SmartHunts menu!

To ensure a great experience, aspects of the event may be modified for your group size, group makeup, time available, and other variables.

Clients Talk About this Program

"Our Sysco team really enjoyed the activity with Foodie SmartHunt. Everything was great! Your facilitator did a great job and was very flexible to include some last minute questions. The planning process was also very easy. Thanks! "
