

Game Shows!

These team building games for corporate work groups bring all of the high-spirited fun and excitement of a live TV game show to your event space.

For over 20 years, we have been delivering exciting custom game shows and trivia contests where teams compete simultaneously, as clues are delivered in the form of trivia questions, audio samples, and video clips by an energetic Master of Ceremonies.

If your company is looking to bond employees between meetings or an entertainment program after dinner, we can design the perfect event for your team based on your group size, allotted time, and desired outcome.

We utilize state-of-the-art podiums complete with microphones, face-off player positions, extra-large buttons, scoring, real game-like visuals and sound effects with multiple buzzers ensuring everyone is fully engaged and can ring-in with their answers.

Questions are designed to cater to domestic or international groups, with topics such as World History, Sports, Entertainment, Pop Culture, and more. Guided by a team captain and supported by the audience's energy and enthusiasm, one team's knowledge will catapult them to the winner's circle.

For groups of 100 or more participants, an audience response polling system is used to allow each team to answer multiple-choice trivia questions. This determines the order in which the teams are invited to the main stage for a face-off round.

Another exciting option is our **Training Game Show** incorporating information and custom questions provided by you. This format can be used to evaluate the retention of information, and reinforce specific goals and the organization's mission and vision. Find out how much information your employees know and have retained, with this exciting game show!

We can also design a **Charity Game Show** to benefit any organization, in any amount you wish to donate. At the conclusion of the event, your VIP will deliver a giant check, signed by all the members of the winning team, to a representative of the charitable organization of your choice.

Clients Talk About this Program

"Everyone at TCM enjoyed the **Corporate Game Show**. I just wanted to thank you for an excellent event. Your Master of Ceremonies did an excellent job being the host, and we finished on time! I really appreciate how he was able to incorporate three sources of questions seamlessly, and his interactions with the crowd were great. A good time was had by all! Thanks so much! "
