

Operation Toy Donation

Operation Toy Donation is a wonderful charitable team activity that creates immediate, tangible results while boosting employee morale through the building and donation of memorable items for children in need.

The possibilities are endless but the outcome is always the same – a group of happy children and proud team of employees.

During the event, teams will rotate between different Care Stations based upon your program choice. At the stations, children's toys and necessities will be assembled and then packed into small toy wagons and wrapped in colorful cellophane.

Operation Toy Donation now features Apple iPads® delivering text, audio and video clues, exciting gaming challenges, and the ability to capture and save all your memories of this inspiring event with photos and video of your teams in action.

At the program's end, a representative of the receiving organization may address your group and thank them for their generous donation.

If you want to make a difference in the life of a child, this is an event your group will never forget.

To ensure a great experience, aspects of this activity may be modified to benefit your group size, group makeup, and time available.

Clients Talk About this Program

"Operation Toy Donation was such a hit with the team – everyone truly enjoyed playing the games, and making the baskets for the children. It was wonderful, and I'm so glad we chose to do this prior to the holidays! Thank you for your assistance with this. I look forward to working with you again in June for our 2019 Quality Summit! Best regards, "
