

## Virtual Trivia Blast!

Virtual Trivia Blast is the perfect virtual entertainment break from your virtual meetings and conferences. When you combine state of the art apps with our engaging and interactive professional hosts - you get the Trivia Blast. Trivia Blast is a full participant, full engagement, interactive game show.

All participants play throughout the game on their apple or android device. With a mixture of multiple-choice, first letter, and numerical trivia questions, teams earn points for being correct as well as bonus points for how fast they answer.

In a fun and energetic battle, participants will be tested in their knowledge of things like history, science, music, pop culture, and more. As participants attempt to be quickest we encourage the "excuse exchanges" that are inevitable. This banter between participants builds upon the game show feel and adds to the team camaraderie.

Each player downloads the app for our show. Our interactive host will welcome the group, introduce the app, question types, and scoring. Players will choose a name that will appear on the scoreboard and the main screen when they are the fastest team.

Players then compete in a mix of trivia rounds to earn as many points as possible. The scoring increases as the rounds continue so no lead is safe. All rounds are customizable or can be themed.
