

Mini-Golf Build and Food Donation

Putt-Putt Golf at its Best! Our **Mini-Golf Build and Food Donation** event is a fun, socially responsible activity fueled by teamwork. In this program, your group is required to design and build unique, one-of-a-kind putt-putt golf holes to create one big miniature golf course where all participants will play when completed.

Green carpeting is provided as the putting surface and canned goods, boxed goods, and other building materials are provided to create bumpers, turns, and special obstacle challenges. Creativity, resource management, and teamwork all come into play in this engaging charity event.

After a fun energetic icebreaker to get everyone in a sporting mood, your group will be formed into golf teams. Each team is then tasked with building a unique mini-golf hole. Teammates will work together on the concept, construction, theme, and rules of their hole as well as choosing various roles such as golfers, scorekeepers, and course officials.

With officials ensuring that the rules of each hole are adhered to, the competition begins! Both newcomers and experienced golfers can enjoy this fun event and the winning team will be anyone's guess!

Once the tournament is complete, the participants, as part of the program, help to break apart their golf holes and repackage all the food into boxes for donation to a local food bank. Your team will feel a sense of accomplishment and the joy that comes from giving to those less fortunate.

Whenever possible, a representative from the food bank, soup kitchen, or organization receiving your donation will address your group and thank them for their generosity. Try our fun Putt-Putt Mini-Golf Corporate Event today.

To ensure a great experience, aspects of this program may be modified for your group size, group makeup, time available, and other variables.

Clients Talk About this Program

"We were extremely satisfied with the way our Charity Mini-Golf Course Build was organized. The icebreaker and the golf course build were great team builders. Everyone was very happy with everything, from icebreaker to donation. Playing the completed golf course was the most fun. Your lead facilitator was excellent, this was our second year with him and he knows how to keep our group happy and engaged. Well done! "
