

Amazing Chase SmartHunt®

Ready, set, GO! Your high-tech team building scavenger hunt starts with an engaging physical icebreaker to form all participants into groups. These newly-formed teams are then given iPads® with Amazing Race-type instructions and must analyze the information and clues while developing the best possible strategy to beat the other teams and become the champions.

During the hunt, competing teams navigate along a custom-designed route to complete challenges and engage in fun activities and stunts. They will use our iPads to answer quizzes, tour points of interest, solve puzzles, and tackle photo and video missions during their amazing race.

Encountering Road Blocks and Detour Stations along the way, the groups will race to be first at each race stop. When they arrive, they'll be participating in challenges and stunts to gain points and win clues to the next stop.

Once all challenges are completed, it's a race against the other teams – and the clock – back to home base. Laughter, accomplishment, and fond memories are additional benefits to this event where trust, communication, and effective problem solving are the catalysts for success.

This hunt features two-way messaging so teams are connected with our lead facilitator, stationed at the ending location, who tracks racers using GPS and downloads photos, video, and scoring throughout the hunt for a big-screen presentation of the action shot during the event.

We can even produce a video of your *Amazing Chase SmartHunt* event to distribute to your attendees or load on your website! To ensure a great experience, aspects of these activities may be modified for your group size, group makeup, time available, and other variables.

Clients Talk About this Program

"Our Amazing Chase SmartHunt was extremely organized. The best teambuilding part of the event was the Roadblocks. The whole thing was fun and we really enjoyed watching the photos and videos immediately after the event. I believe everyone enjoyed it and got a lot out of the program. Great team building! "
