

Donation Nation Care Packs

Donation Nation Care Packs is a wonderful program for charity which will have your group navigating through a series of engaging activities leading up to the assembling of care packages for people in need.

Items for the care packages will be chosen based on the specific needs of that organization. Recipient examples include homeless shelters, food banks, hospices, animal shelters, nursing homes, and other community and social service agencies.

Our *Donation Nation* now features Apple iPads® delivering text, audio and video clues, exciting gaming challenges, and the ability to capture and save all your memories of this heartwarming event with photos & videos of your teams in action.

The process for building care packages will start with the formation of sub-teams who participate in a series of fun and challenging icebreakers and teambuilding activities. Through these challenges, teams earn points, which enable them to acquire the contents of the care packages. A running scorecard is posted to increase excitement and energy!

A representative from the chosen charity may surprise your group, speaking passionately about the goals and mission of the organization and joining them for the final stages of the care package assembly. This inspiring, morale-boosting event may include personal touches in the form of letters and messages written by participants to the recipients of the packages.

To ensure a great experience, aspects of this event may be modified for your group size, group makeup, time available, and other variables.

Since you like this program, you may also consider [Virtual Jeopardy](#) as a remote option!

This program can be delivered as a [Hybrid Event](#).

Clients Talk About this Program

"Clone your lead facilitator! Our Donation Nation program was extremely well organized. The Ice Breakers and iPads contest were fun, but the most important aspects of the program was the closer bonds developed among team members and also giving back to the local community via charity. Our team loved it and wants to do it again! "
