

We Care for Schools

The **We Care for Schools** program gives your group the opportunity to support the local school district, teachers and students by providing items that are in short supply. This CSR event includes fun iPad activities, photo and video challenges, and the stocking of bins with supplies for Classrooms and Art Departments.

Consumable items in the *Classroom*, such as pencils, paper, glue sticks, first aid kits, and many others are quickly depleted and frequently in short supply. Well-supplied students are more focused and productive.

Art in the classroom is usually one of the first programs to be impacted by budget cuts. Colored pencils, sketchpads, paint brushes, and more, will go a long way to keeping this important creative outlet available to children.

When possible, a representative from a local school will address your group and thank them for their generous donation. We Care for Schools is the perfect way to help support the teachers and administrators, and their valuable work with children.

To ensure a great experience, aspects of this program may be modified to benefit your group size, group makeup, and time available.

Since you like this program, you may also consider [Virtual Classic Rewind Quiz Show](#) as a remote option!

This program can be delivered as a [Hybrid Event](#).

Clients Talk About this Program

"Thank you for facilitating such a meaningful program from our team at Honeywell. It was the perfect choice. The We Care for Schools donation made to the schools and local charities from this program had a profound effect on our group. "
