

Virtually Super 70s

Can you dig it?! Groove on back to the days of bellbottoms, tie-dye, and feathered hair with **Virtually Super 70s** - a far-out way to take a break from your virtual meetings and get stoked about some nifty memories.

With state-of-the-art gaming and our engaging and interactive professional hosts, your group will experience a full participant, full engagement, interactive game show. All participants play the game on their apple or android device. With a mix of multiple-choice, true/false, and fill-in-the-blank trivia questions, the faster participants respond correctly, the more points they earn!

Our interactive host will welcome the group, introduce the game, categories, and scoring. Players will choose a name that will appear on the scoreboard and the main screen when they are the fastest to respond. Then players compete in rounds of trivia questions about all things '70s to earn as many points as possible!

Players will be tasked to answer trivia questions in funky '70s themed categories, including movies, TV, sports, celebrities, politics, science, and of course, music! Using art, photos, and video, and song clips, teams will have to identify the correct answer to the questions and beat others to the punch. As the rounds continue, the scoring increases and no lead is safe - so as the pressure rises players must keep on truckin' and not let their opponents fake them out!

In this off the hook battle, participants' knowledge of the iconic '70s will be tested. As participants attempt to be quickest, we encourage the "excuse exchanges" that are inevitable. This fun banter between players builds upon the game show feel and adds to the team camaraderie. Your group can grab their cool threads and throw up a peace sign and enjoy the Super 70s!

Ask about super [80s](#), [90s](#), or [21st Century](#) - we got them covered too!

Short on Time? This program also comes in a 30-minute virtual version for live meeting breaks. All participants play the game on their Apple or Android device (no app to download, participants play through a website), individually or in groups sharing a device.
